

Doorstep Banking Services

Salient Features

Bank offers Doorstep Banking Services to its customers (Individual/Corporate) for pick up of cash from their premises/offices where proper KYC procedures have been followed. Customers have to just fill in the enrolment form and execute an agreement with its branch to avail the facility.

The cash is picked-up within normal business hours of the Bank. Complimentary pickup of Cheques/instruments is allowed, alongwith cash pick-up.

Variants

Customer may opt any of the following options

- **On call pick up** – Bank's representative visits customer's residence/office on his request , which may be lodged through telephone/fax.
- **Beat pick up** – Bank's representative visits customer's residence/ office daily for pick- up of Cash.
- **Free of cost option** – Customers who agree to keep desired float balance in their SF/CA account are waived off all charges for cash pick-up.

Benefits

- No need to visit branch for depositing cash
- Secured and insured
- Timely pick up of cash
- Low service charges
