PORTFOLIO INVESTMENT SCHEME (PIS)

Portfolio Investment Scheme (PIS) allows NRIs to invest in shares of Indian companies, in secondary market, under repatriation or non-repatriation basis in respect of shares or convertible debentures sold or purchased through a registered stock broker on a recognized stock exchange.

Investments by NRIs

NRIs can invest on repatriation and non-repatriation basis under PIS route upto 5% of the paid up capital / paid up value of each series of debentures of listed Indian companies, within overall permissible limits, subject to compliance of RBI guidelines, which may change from time to time. The NRI investor has to take delivery of the shares purchased and give delivery of shares sold.

On Repatriation basis

The investment on repatriation basis has to be made by way of funds from inward remittance of foreign exchange through normal banking channels or out of funds held in NRE/FCNR account maintained in India.

On Non-repatriation basis

The investment shares on non-repatriation basis, can additionally be made by utilizing funds in NRO account

Restrictions about Sale/Transfer

Shares purchased by NRIs on the stock exchange under PIS cannot be transferred by way of sale under private arrangement or by way of gift to a person resident in India or outside India without prior approval of RBI.
