POLICY FOR PREVENTION OF INSIDER TRADING DETAILING CODE OF CONDUCT FOR PREVENTION OF INSIDER TRADING IN SHARES OF PUNJAB NATIONAL BANK (“PNB”) BY ITS INSIDERS AND DESIGNATED PERSONS

1. INTRODUCTION

SEBI (Prohibition of Insider Trading) Regulations

Securities and Exchange Board of India (SEBI) framed SEBI (Prohibition of Insider Trading) Regulations, 2015 (“The Regulations”), as amended, which prohibit persons connected with a listed Company from dealing in Company’s securities when in possession of unpublished price sensitive information related to the company in any manner whether to buy or sell the securities of the company and make undue gain which is not available to the holders of the securities of the company not in possession of such information.

Punjab National Bank constituted under the Banking Companies (Acquisition & Transfer of Undertakings) Act 1970 being a listed entity, has to comply with the SEBI Regulations. Accordingly, a “Code of conduct & Policy for Prevention of Insider Trading 2015” came into effect from 15.5.2015, which is now being amended in line with the recent amendments made in the SEBI Regulations.

Code of conduct and Policy for prevention of Insider Trading 2015

This document embodies (i) PNB Code of Conduct for Prevention of Insider Trading and (ii) PNB Code of Corporate Disclosure Practices (collectively referred to as the “Code”) to be adopted by Punjab National Bank (“PNB” or the “Bank”), whose shares are listed on recognized stock exchanges in India and followed by its directors, Designated persons, and connected persons. These codes are framed in terms of SEBI (Prohibition of Insider Trading) Regulations, 2015.

Necessity for the Code:-

Insider trading is the buying or selling or dealing in the securities of a listed Company by a Director, member of management, an employee of the firm or by any other person such as internal and statutory auditor, agent, advisor, analyst, consultant etc., who has knowledge of material, ‘inside’ information not available to the general public. The dealing in securities by an ‘insider’ is illegal when it is predicated upon the utilization of ‘inside’ information to profit at the expense of other

investors who do not have access to the same information. The prices of most securities generally reflect the available public information about these companies. Hence, any investor who acts on non-public information does so at the cost of public confidence in the securities market and in the process he distorts the level playing field.

The Regulations require all **listed companies** and other specified entities to set up appropriate mechanism and to frame and enforce a Code of Conduct for Prohibition of Insider Trading and internal procedures prescribing various disclosures of interest or holding to be made by its 'Directors' and 'Designated Persons' with **substantial share holding**.

The Code is based on the principle that Directors, Officers, and Employees of the Bank owe a fiduciary duty to, among others, the shareholders of the Bank to place the interest of the shareholders above their own and conduct their personal securities transactions in a manner that does not create any conflict of interest situation. The Code is also intended to serve as a guiding charter for all concerned persons associated with the functioning of the Bank and their dealings in securities of PNB.

Applicability

The Code will be applicable to connected persons and their Immediate Relatives as defined in this Policy.
