**NOTICE FOR DISCONTINUATION OF PNB DEPOSITORY PORTAL  
(HTTPS://WWW.PNB.NET.IN)**

Dear valued customer,

The existing Punjab National Bank's Depository Web Portal (<https://www.pnb.net.in>) will be discontinued after one month.

In an endeavour to provide you our best services, we have launched a new facility wherein PNB Demat account holders can access their Demat account details on IBS (Internet Banking Services) platform. The Demat forms, FAQs & links of Online trading partners are placed on Banks Corporate website (<https://www.pnbindia.in/Depository-Services.html>). This is a value-added service offered to our existing Demat customers. In case you have not opted for internet banking, you can register for it yourself instantly at <https://netbanking.netpn.com>.

For any further clarification or any query, the Bank's Demat customers are requested to contact their nearest branch or write us on our e-mail [ebroking@pnb.co.in](mailto:ebroking@pnb.co.in) or call us on 011-23715009 (standard call charges applicable).
