NOTICE FOR DISCONTINUATION OF PNB DEPOSITORY PORTAL (HTTPS://WWW.PNB.NET.IN)

Dear valued customer,

The existing Punjab National Bank's Depository Web Portal (https://www.pnb.net.in) will be discontinued after one month.

In an endeavour to provide you our best services, we have launched a new facility wherein PNB Demat account holders can access their Demat account details on IBS (Internet Banking Services) platform. The Demat forms, FAQs & links of Online trading partners are placed on Banks Corporate website (https://www.pnbindia.in/Depository-Services.html). This is a value-added service offered to our existing Demat customers. In case you have not opted for internet banking, you can register for it yourself instantly at https://netbanking.netpnb.com.

For any further clarification or any query, the Bank's Demat customers are requested to contact their nearest branch or write us on our e-mail ebroking@pnb.co.in or call us on 011-23715009 (standard call charges applicable).
